STATINTL MEMORANDUM FOR: DDA Office Directors
FROM :
Executive Officer, DDA
SUBJECT : Procedures for Rendering Agency Assistance
to Other Government Components

STATINTL 1. The attached memorandum, signed by Tony Lapham, addresses the issue of receiving prior approval before satisfying a request for Agency assistance to another Government component. As pointed out, HR Annex E, addresses this matter and indicates something of the assistance that can be given to certain other components with impunity. It also points up the need for specific approvals.

2. Also attached is a copy of Tab B of a memorandum from the DCI to the Chairman of the Intelligence Oversight Board, dated 24 April 1976, in which the Agency is committed to the Office of General Counsel reviewing requests for proposed assistance to other Government agencies.
